GAS PLANT EXPLOSION KILLS MAN AT FLAT RIVER.

Gas Generator of Doe Run Lead Company Wrecks Plant, Kills Chas. Conrad and Seriously Burns Ed Hedgecath.

Last Friday evening about 6:30 o'clock the gas generator of the Doe Run Lead Company at Flat River exploded, instantly killing Charles Conrad, and Edward Hedgecath was very terribly burned. Several other men at work in the plant narrowly escaped. Conrad's clothing was burned off and his body burned black. Hedgecath was taken to the Company Hospital at Bonne Terre, and the next day he was reported better and may recover.

The gas plant was wrecked and mine work at the shafts was necessarily discontinued, but the water in the mines is being handled by steam pumps. It is not known what caused the explosion, but it is thought that one of the tubes or flues in the boiler connecting with the gas generators, one of which stands on each side of the boiler, burst and forced the gas back through the generators and causing it to ignite with the fire above the coke.

Coroner English went out Saturday and held an inquest over the body of Conrad, and the verdict of the jury was that he came to his death by an explosion of gas. Conrad was 23 years old and leaves a wife. He was a member of the Modern Woodmen order.

For Miss Rozier.

Mrs. M. P. Cayce invited the Monday Club and the One-Thirty on Monday afternoon to meet Miss Rozier. After the guests were assembled and they had listened to the delightful strains of music from the orchestra a basket filled with envelopes was passed. They were filled with pink puzzle hearts, which were to be put properly together.

Mrs. Walter Morris solved the heart puzzle in the shortest time and won the first prize, Miss Bernice McCormick winning the second. Miss Lavallette Wilson won the guest prize and Mrs. M. R. Smith the booby. After refreshments, toasts were read to the bride-to-be, and her health was drunk from the large loving cup filled with unfermented wine. Some of the toasts were brilliant specimens of wit and wisdom and were preserved by being put on streamer of pink ribbon for Miss Rozier.

Miss May Harlan, Miss McCormick, Mrs. J. P. Cayce and Miss Lavallette Wilson were the guests outside those mentioned.

Mrs. H. C. Washburn entertained last Friday evening with a dinner party for Miss Gladys Rozier and Mr. Paul Leming. The other guests were Mr. and Mrs. L. F. Johnson, Mr. and Mrs. Walter Morris, Mr. and Mrs. J. C. Morris, Mr. and Mrs. John McCormick, Miss Lavallette Wilson and Judge Kossuth Weber. It was a very delightful affair.

Misses Pearl and Myra Clardy will entertain next Tuesday afternoon for Miss Rozier.

Takes Change of Venue.

Tuesday afternoon W. L. Coley and Jerry B. Burks, attorneys for the defendants in the libel suit of Edward A. Rozier against Judge G. O. Nations and his son, R. Heber Nations, filed an application in the Circuit Court for a change of venue, on the ground that the Circuit Judge, Charles A. Killian, is so prejudiced against defendants that they believe they cannot have a fair and impartial trial before him. The Court and Prosecuting Attorney indulged in some uncomplimentary remarks about the defendants and one of their attorneys, Mr. Coley, but the change of venue was granted, and the Court ordered the case sent to the Circuit Court of Iron county, where it will probably come up before Judge Deering at the April term next year.
